

WORLD

In this world, ice cream
is the most valuable
resource, not gold or oil

WORLD

In this world, plants
make all decisions

WORLD

In this world, babies
make all decisions

WORLD

In this world, all
decisions must be
approved by animals

WORLD

In this world, you can
buy things with water

WORLD

In this world, rivers
make all decisions

WORLD

In this world, the sea is
our leader

WORLD

In this world, everyone
is an artist

WORLD

In this world, everyone
stays a child forever

WORLD

In this world, you can
make yourself
physically invisible to
others

WORLD

In this world, people
only communicate using
their eyes and facial
expressions

WORLD

In this world, you can
transform into different
animals

WORLD

In this world, everyone
paints or draws their
emotions

WORLD

In this world, there is
no such thing as
competition

WORLD

In this world, we
preserve the Earth

WORLD

In this world, there is no
such thing as religion

WORLD

In this world, people
value laziness and
dislike doing a lot of
things

WORLD

In this world, flowers
are our leaders

WORLD

In this world, we believe
that the most important
human quality is
generosity

WORLD

In this world, we believe
everything has a soul

WORLD

In this world, everyone
wants to be famous

WORLD

In this world, there is no
such thing as gender

WORLD

In this world, nobody
owns anything

WORLD

In this world, everyone
already knows what is
going to happen in the
future

WORLD

In this world, we
preserve and care for
books

WORLD

In this world, there are
no mirrors to see your
reflection in

WORLD

In this world, people
create their own
belongings, and there is
no concept of
buying/selling

WORLD

In this world, we believe
that the most important
human quality is
curiosity

WORLD

In this world, no one
lives on planet Earth

WORLD

In this world, there is no
garbage/waste

WORLD

In this world, everyone
lives in the library or
school

WORLD

In this world, everyone
lives under water

WORLD

In this world, everyone
lives in one building

WORLD

In this world, everyone
lives in trees

WORLD

In this world, we create
houses using recycled
garbage

WORLD

In this world, all
children live in one
house and all adults in
another

WORLD

In this world, we all live
underground

WORLD

In this world, each
person carries their
home with them

WORLD

In this world, there are
no maps

WORLD

In this world, everyone
lives on an island

WORLD

In this world, everyone
must keep an animal as
a pet

WORLD

In this world, we all live
on boats that float on
the water

WORLD

In this world, no one
lives with their own
family

WORLD

In this world, houses are
all made of transparent
glass

WORLD

In this world, you can
easily travel to the past
or the future

WORLD

In this world, dinosaur
eggs have begun to
hatch

WORLD

In this world, there is no
stress

WORLD

In this world, we can
only use public
transportation

WORLD

In this world, businesses
or people do not make
excess money, they
make just what they
need

WORLD

In this world, there is
only one kind of food to
eat

WORLD

In this world, each
person **ONLY** eats their
favourite food

WORLD

In this world, we trade
food with each other

WORLD

In this world, all food is
shared with animals

WORLD

In this world, we only
eat what grows
underwater

WORLD

In this world, all food is
made in a lab

WORLD

In this world, people
make decisions by
playing a popular sports
game, and the winner
decides the way
forward

WORLD

In this world, the heat
comes from the moon
instead of the sun

WORLD

In this world, it is so
windy that you cannot
walk

WORLD

In this world, each
person feels the
weather differently

WORLD

In this world, it's always
raining frogs

WORLD

In this world, the inside
weather is the same as
the outside weather

WORLD

In this world, you can
use only 3 of the 5
senses (hearing, seeing,
smelling, tasting,
feeling)

WORLD

In this world, volcanos
erupt weekly

WORLD

In this world, it is
always flooded

WORLD

In this world, there are 5
suns and 10 moons

WORLD

In this world, one person
controls the weather

WORLD

In this world, countries'
borders keep changing

WORLD

In this world, the sky is
below us and the earth
is above

WORLD

In this world, animals
can talk

WORLD

In this world, it is more
important to be kind
than make money

WORLD

In this world, waste is a
crime

WORLD

In this world, there is
enough for everyone
but no more

WORLD

In this world,
everything is re-used
(you cannot buy
anything new)

WORLD

In this world, everyone
is paid the same, no
matter their job

WORLD

In this world, all money
expires in a year

WORLD

In this world, there is no
concept of money

WORLD

In this world, everyone
can see what you buy

WORLD

In this world, you can
only buy and sell
between your own
family members

WORLD

In this world, the more
money you have, the
less you are allowed to
buy

WORLD

In this world, nothing is
passed down between
generations

WORLD

In this world, you
cannot sell anything,
and you can only give
gifts

WORLD

In this world, money
expires everyday

WORLD

In this world, anything
you buy must be shared
equally with the public

WORLD

In this world, how much
money someone makes
from their job is
decided based on how
happy the worker is

WORLD

In this world,
bees' honey is used as
currency

WORLD

In this world, a boss's
salary is decided by the
people who work for
them

WORLD

In this world, there is no
concept of time

WORLD

In this world, all work is
by machines and not
people

WORLD

In this world, people can
trade jobs with each
other

WORLD

In this world, people are
paid based on how
much time they spend
with their kids

WORLD

In this world, each
person's job is a secret

WORLD

In this world, there are
no bosses

WORLD

In this world, people
work for only half the
year and rest for the
other half

WORLD

In this world, there is no
relation between your
job and how much
money you make

WORLD

In this world, the job
that is considered the
worst job, is paid the
most

WORLD

In this world, nobody in
the same workplace
speaks the same
language

WORLD

In this world, your job
changes every year

WORLD

In this world, you can
change jobs only on
your birthday

WORLD

In this world, your job is
decided by a lottery at
your time of graduation

WORLD

In this world, farming is
the job that everyone
wants to do

WORLD

In this world, nobody
retires

WORLD

In this world, we are
asked to invent new
jobs for the next
generation

WORLD

In this world, people
communicate via smell

WORLD

In this world, people
only write letters and
never speak

WORLD

In this world, no one has
a name

WORLD

In this world, people
only talk to animals but
not each other

WORLD

In this world, nobody
can see

WORLD

In this world, when
people feel an emotion
they turn another
colour

WORLD

In this world, everyone
is secretive

WORLD

In this world, everyone
can read minds

WORLD

In this world, plants can
talk

WORLD

In this world, only
people born within 10
years of each other can
understand each other

WORLD

In this world, the
ancestors speak through
babies

WORLD

In this world, nobody
can lie

WORLD

In this world, broken
things are most valued

WORLD

In this world, nobody
can hear

WORLD

In this world, everyone's
personal diary is
published once they die

WORLD

In this world, all
teachers become
students for half the
school day

WORLD

In this world, students
study only the subjects
they want to

WORLD

In this world, there is no
grades or marks at
school

WORLD

In this world, all schools
are free

WORLD

In this world, every
student **MUST** learn an
art form

WORLD

In this world, history is
taught using world
leaders' personal diaries

WORLD

In this world, all news is
forgotten in 5 days

WORLD

In this world, all news is
circulated through word
of mouth

WORLD

In this world, only
animals can teach at
schools

WORLD

In this world, all parents
take turns being
teachers at school

WORLD
